Lovers

i peer across the rapidly changing stream
to see two people in love
how wonderful they look!
they gaze at one another,
then down at the ground
sharing a moment of awkward connection
(many more will follow in the years to come...
what a glorious thought!)
they share pleasantries
i hear an angelic laugh-
a princess eloped from her castle, no doubt!
the man stands to fix his sport coat
the woman rises to straighten her dress.
the lady then wraps her arms around
the gentleman's neck-
they get lost in each other, only momentarily,
then are on their way.
