pretty in punk

tousled hair
cropped short
and arranged in a
carefully planned
explosion of
red
one half of a
black
orange
red and
blue
tattoo
visible when
she caresses
the back of
her neck -
her neck
slender
soft
slightly tanned
perfectly angled
begging to be
brushed by
the lips of
a lover
as he slowly
moves toward
nirvana.
but along the way -
a flat
tone
tight
stomach
and a pierced naval.
it matches her
eyebrow
ears and
nose.
Punk Princess -
I'd die to be
a
Prince.
